One red coin on this
invoice

Large job lot of autographs tied up
in a bundle. Some interesting material
signed by all sorts of historical
personages including a nice two-page
letter signed by Grant written from
the White House. Several other pre-
sidential autographs, a splendid
letter by Henry Clay which is interest-
ing because it is still in the folder
in which it was sold at auction for
the relief of soldiers at the
Mississippi Valley Sanitary Fair in
St. Louis in 1864. Also a beautiful
letter of Oliver Wendell Holmes giving
